

**Traveling from Victoria Falls to Kariba** offers an exciting and diverse experience, encompassing approximately 1241 kilometres of Zimbabwe's diverse landscapes. As you embark on this journey with Bantu Travel and Tours, several accommodation options cater to your comfort and relaxation.

Upon commencing your adventurous journey, the choice of accommodations in the Vicinity of Hwange National Park includes the Safari Lodge and Elephant's Eye, Hwange. Both provide a perfect haven for rejuvenation amidst the beautiful natural surroundings. Afterward, with approximately 934.4 kilometres remaining to reach Kariba, the second leg of the journey encompasses the striking landscapes alongside Lake Kariba.

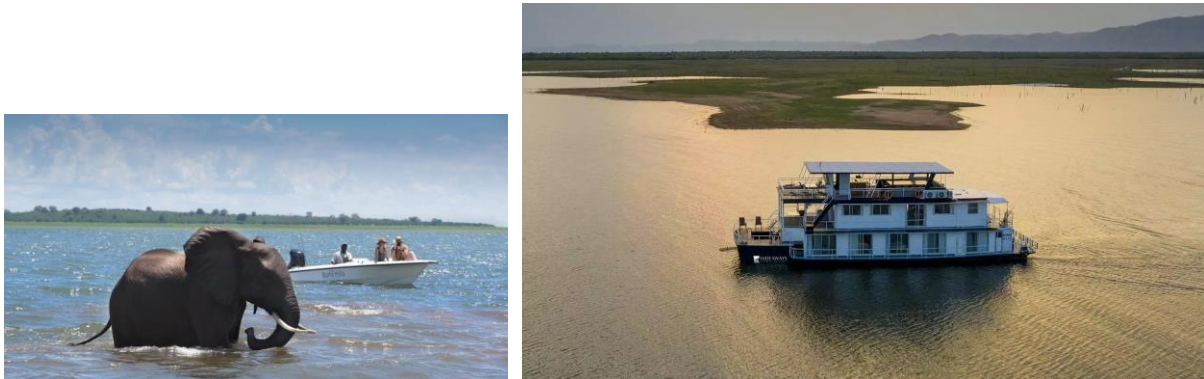

**Hwange Safari Lodge**

Upon arrival at Kariba, guests can unwind at the exquisite Caribbea Bay Resort for two nights. This serene oasis offers breathtaking views of the lake and promises a tranquil retreat in the heart of Zimbabwe.

During your stay in Kariba, a variety of activities await. You can partake in a captivating sunset cruise on Lake Kariba, providing an unforgettable experience as you witness the golden hues of the sun casting spellbinding reflections on the water. Additionally, a visit to the Kariba Dam wall is a must-see, offering insight into the engineering marvel and a chance to witness the sheer magnificence of this man-made structure.

In preparation for your trip, it's advisable to pack a variety of clothing, including lightweight and breathable attire for the daytime, as well as warm layers for cooler evenings. As you'll be partaking in outdoor activities, comfortable walking shoes are essential, and don't forget to bring swimwear if you plan to take a refreshing dip in the pool at Caribbea Bay Resort.

Overall, the journey from Victoria Falls to Kariba promises an unforgettable adventure brimming with natural wonders and delightful experiences, ensuring an enriching travel experience with Bantu Travel and Tours.
